

La Moille Schools Present

CPASA

Hidden in Plain Sight

Learn how to recognize the signs of substance abuse and depression through an interactive display that showcases how our teens are hiding clues in plain sight!

Danielle Stoddard

Danielle is a Licensed Clinical Professional Counselor who is dedicated to helping our youth as well as our community pursue a life of happiness. Come find out what you can do!

Dinner and Childcare provided

Gather your friends and family and join La Moille Community School District in the La Moille High School Cafeteria on February 22 at 6:00p.m. to participate in a discussion about the importance of Mental Health and how it is affecting our community, especially our youth. Come listen to experts give guidance on how YOU can help our community!
