La Moille Principals' ROAR

November 2026

As we started this newsletter November was approaching, and as we finish it, we are already over a week in. Time goes so quickly, and it is easy for tasks to get away from you! October was so jam packed with events, we were hoping for the calm that comes with November...if that is such a thing! In October we had our Partner Pathways events. The high school football team continues to amaze and impress as they make a state run!! We ended our first quarter of the school year, with parent/teacher conferences that followed. Our upper level ag students attended the FFA Convention in Indianapolis. Our k-3 students went on their annual field trip to Boggio's Orchard. The month has flew by! Now November is doing the same!!

November brought in a time change and the boys' basketball season at both the jr. high and high school levels. Thanksgiving break is not far away...and before we know it, December will be here! Keep up to date with all of the happenings on our La Moille Facebook page and through TeacherEase announcements.

Music Department Update

October was a good month in all areas of music. Our 6th & 7th graders in the music program participated in the Bureau Valley Elementary Conference Jr. High Music Festival on October 20th. The guest conductors, Annette Hackbarth & Ali Stachowicz, made the day fun for our students with their valuable knowledge of music. Unfortunately, the festival was cut short due to Bureau Valley losing power in the middle of the festival. Even though it was cut short, the students had fun participating and made friends with other students from other schools. In the classroom, students have been working on songs for Veterans Day and the Winter Concert. Our K-6 general music students, LJSH Band, and LJSH Choir with 6th Grade Honor Choir will be performing at the Veterans Day Assembly at LJSH on November 11th at 2pm. Stay tuned for more information for the Winter Fine Arts Showcase and the Winter Band and Choir Concert on Thursday, December 10th.

K-3 Boggio's Orchard Field Trip

An annual tradition that our K-3 students enjoy is a field trip to Boggio's Orchard in Granville. Students enjoy riding on the hayrack, picking pumpkins, and playing in their massive play zone. This year the students were blessed with beautiful weather than only enhanced the experience. Pumpkins were brought back to school for all students to decorate at our annual Fall Fest. Check out our La Moille CUSD #303 Facebook page to see many images!!!

LJSH Boys' Basketball

All games for boys' basketball will be held at LJSH.
