RE: ANNUAL ASBESTOS MANAGEMENT PLAN NOTICE

This is to inform you of the status of La Moille C.U.S.D. #303 asbestos management plan. It has been determined by the Illinois Department of Public Health and the Federal Environmental Protection Agency that asbestos is a potential health hazard, and precautions should be taken to avoid disturbing any asbestos containing materials.

As required, our buildings were initially inspected for asbestos. Our inspection was conducted on January 5, 1987. The AHERA law required that a visual surveillance of asbestos containing areas be completed every six months, and a re-inspection conducted every three years. Any evidence of disturbance or change in condition will be documented in the Management Plan as required.

The Inspection/Management Plan is available for public review in the Administration Office. Should you wish to review the plans, please call to make an appointment between 8:00 a.m. - 3:00 p.m.

Any concerns relative to asbestos containing materials should be directed to Jay McCracken, Superintendent at 638-2018.

Sincerely,

Jay McCracken  
Superintendent
