Welcome to the 2022-2023 School Year!

We are so excited to have our students back for the 2022-2023 school year! We have so many exciting things planned for our students this year starting with a focus on our district-wide theme, "Restore the Roar!" This year we hope to bring back many things that were lost during COVID, as well as provide many new opportunities.

Allen Grade School has a school-wide theme as well which is "It's Grow Time!" We are going to focus on growing our students in many ways...educationally, physically, emotionally...as we always have, but with a focus on the language of a Growth Mindset.

We love our students and are glad to be back in session!!

Box Tops for Education

Join me in earning cash for our school by using the Box Tops app. It's an easy way to make a difference. All you have to do is buy Box Tops participating products (like Cheerios!) and scan your grocery receipt. Box Tops are worth \$.10 each and they add up fast! Twice a year, our school receives a check to help pay for whatever we need - equipment, supplies or experiences the kids love!
