Superintendent's Newsletter

October 2022

As the temperatures begin to drop and the leaves start to turn colors, it is very apparent that Fall is here! The school year is progressing very quickly, and our students have been engaged in a large variety of academic and extracurricular activities.

Our recent La Moille Homecoming was a tremendous success, thanks to the dedication and hard work from Mrs. Leffelman and the Homecoming Committee. Our students enjoyed the parade, pep rallies, fireworks, bonfire, and all of the fun activities that occurred throughout the week. Our volleyball and football teams played hard, and we are so proud of all of our student athletes! As we continue to "Restore the Roar" in La Moille, we should be proud of the awesome work and cooperation among students, staff, and our supportive community.

The month of October is another action-packed time of the school year. The month begins with the Little Ten Volleyball Tournament in La Moille, and our staff is very busy with preparations for that big week. We also have College Awareness activities throughout October, and Mrs. Shevokas has an enjoyable Bingo game that will heighten our students' opportunities as they explore offerings at colleges. Next month we will be exploring the Career Pathways that are available through our school and local businesses and industries. La Moille CUSD 303 offers more dual credit opportunities than most of our neighboring school districts, and we have established College Start and Career Start programs in conjunction with Illinois Valley Community College and our Area Career Center.

October 16-22 is Principal Appreciation Week, and we are blessed to have two dedicated and talented principals, Mrs. Johnson and Mrs. Leffelman. Let us show our collective appreciation to these two outstanding school administrators.

Thanks for your continued support of our La Moille Schools! Together, we will offer the best possible educational opportunities for our fine students!

Sincerely,

Jay K. McCracken
