Dear La Moille Parents, Guardians, and Students,

Welcome to the 2023-2024 school year! It has been an exceptionally great summer of planning and growth. I hope that each of you were able to make memories with friends and family while on summer break. The community continued to pull together for summer sports, Buffalo Days, Vacation Bible School, Library and Music Programs, and more. It is always astonishing to see how much we can accomplish as a whole. Together as a school community, we “Restored the Roar” last school year, bringing pride into our halls, our town, and the hearts of La Moille. It has been an honor to serve as high principal this last year and I look forward to continuing to serve our school community as the 7-12 building principal this upcoming year.

Over the course of the year, our district will continue to focus on education, with review of current programs, curriculum, and interventions, to provide a deeper development of student support in and out of the classroom. This will be a year of advancement, academic success, and collaboration. We welcome input from all and will be seeking perspective this school year from you through a variety of capacities.
